General Notices

Covid Safety in Church

Thank you for all that you are doing to keep each other as safe as possible. In revising our risk assessments to coincide with going into Alert Level Zero, we are required to urge you to:

- 1) Think about being doubly vaccinated if you have not been already. This is one of the best things we can do to help each other keep free from serious illness.
- 2) Take lateral flow tests. In our risk assessment it states volunteers are strongly encouraged to do this, but all congregation members may benefit. Tests may be obtained free online or at Chirk chemist or any other pharmacy.

A History of the Priests of St. Mary's Church: Graham Greasley has very kindly produced his latest booklet which focuses on the Vicars of Chirk. These booklets are available to buy for £3.50 either from the table at the back of church or from a warden. I am very grateful to Graham for all his hard work and support once again, and I hope you will enjoy reading about my predecessors, some of which you may remember well. Graham has raised the money to print the booklets from local businesses so I am delighted to say that 100% of the money is going to the church.

St. David's Church Fron Committee: The next meeting is today immediately following the 9.30am service.

St. Mary's Chirk Church Committee: The next meeting is on Wednesday 15th September at 7pm.
