Earth Day 2024 is on Monday 22nd April.

EARTHDAY.ORG mission is to diversify, educate and activate the environmental movement worldwide. Growing out of the first Earth Day in 1970, EARTH-DAY.ORG is the world's largest recruiter to the environmental movement, working with more than 150,000 partners in over 192 countries, to drive positive action for our planet.

This year's Earth Day theme is, Planet vs Plastics, demanding a 60% reduction in plastic production by 2040, and the elimination of single use plastics by 2030.

Please consider joining the worldwide community of Earth Day supporters, to honour and celebrate our remarkable planet Earth on this special day.

Earth Day is a reminder of the importance of environmental conservation and sustainability, encouraging us to come together and take action for a healthier planet and brighter future.

For fact sheets, the plastic detox challenge, plastic quiz, info on rejecting fast fashion, and lots more information (!), please check out the EARTHDAY.ORG website earthday.org

Together we can help make a positive difference.
